September 06, 2012 |

Photo courtesy of Victory Motorcycles.

The Warren (Mich.) Police Department has purchased eight Victory Commander I motorcycles for motor patrol.

The motorcycles have been eye-catching for members of the public and have helped community relations in the community. Sgt. Paul Kelly said in a release. The department replaced Harley-Davidson motorcycles.

[Victory Motorcycles](#) introduced three motorcycles into the law enforcement market in 2011, including the Commander I (with batwing faring), Commander II, and Vision.
